We Dedicate

We the Class of 1954, dedicate the REDSKIN to Mr. Ronald Reynolds. "Doc", as he is known to us, has guided us faithfully through many trials and tribulations.

Mr. Reynolds has been our class advisor for two years. We are truly grateful for his deep understanding of youth. He has given us advice when needed, and lightened our burdens in time of trouble.

We, who like to count ourselves among his many friends, feel a deep pride in his success.

Memories

Class Prophecy

As I was sitting in the living room of a penthouse in New York watching 3-D television, a news flash interrupted the program. It was announcing the first successful trip to the moon made by man. That man happened to be my old class mate, the renowned scientist, Dr. GERALD G. GRATZ, B.S. & PhD. As the regular television program returned to the screen, who should I see but those two famous comedians who have replaced Martin and Lewis, DON TRUEMAN and THEO BRITTON. It seems that they have added a third man to their act, JIM BUEHRER. Jim and Don tell the jokes, and Theo laughs at them. As that show went off the screen, a wrestling match came on. I was surprised to see JANICE BARNES, another one of my school friends. She is now United States Women's Champion Wrestler, and is married to another great name in the wrestling world, Gorgeous George. Janice has changed her name to "Groaning Gussie." Just then, the telephone rang. It was MARGE CARTER BUNCE who had just returned from Florida with her husband and five boys. The trip was one of the prizes she received for being Mrs. America of 1964. She told me that while she was there, she saw DON NYE, his wife, and their four sets of twins. Don was there because he had won the "Most Outstanding Michigan Farmer" contest. His wife was there for a rest. With them was ILIFF VAN AKEN. He poses for the "body beautiful" ads in Wow! magazine. Marge also saw PAT DILLON, who is movie producer and tycoon DON WARD'S answer to Marilyn Monroe. She is known as "Pulsating Pat." I finished talking to Marge, and returned to the television set. An advertisement was on advertising BOB WATERBURY'S used cars. The commercial went something like this: "Don't be a boob, see Bob." Then, a lecture program came on the air. The guest speaker was Dr. MARILEE CRAMTON, who has become a famous woman surgeon. She is chief of staff at the Hulsdale Health Center. With her was LEONA SHIFFLER, who is the Director of Nurses there. Just then, the door bell rang. It was SALLY KING, who is married to a millionaire who inherited his father's dog food cannery. With her was RUTH ELSON who runs a bachelor's boarding house and restaurant across the street called "Toot's Tidy Tearoom." Sally told me that PAUL BLOUNT is head of the College of Dentistry at the University of Michigan. His friends call him "Painless Paul." She also said that BETTY ROBINSON was now a famous lawyer in Washington D.C. She is known as "Legal Eagle Robinson." Also it seems that DICK DENISON has become famous in the circus world with his "trained flea" act. In partnership with Dick is EDDIE MULL. Eddie trains the fleas and Dick puts them through their paces. RUTH EDINGER and JUDY DRYER are teachers at good old C.F.H.S. DONNA LEMMON is married and living in Montpelier. Her next door neighbors are BARBARA and JERRY MICHAEL. Barbara is the former BARBARA SCHAADT. After Sally and Ruth left, the telephone rang again. It was LUFTTA GROWDEN. She is now a Power's model here in New York. She said that she had heard from JUDY WISMAN. Judy is a psychiatrist in Camden. Her best customers are former teachers of the C.F.H.S. Class of "54". SHIRLEY FORD, MARLENE HUKILL, and DARLENE RIGELMAN are owners of a famous New York restaurant. ELIZABETH BURKE GEORGE and her husband are famous evangelists in California. Oh yes, MR. REYNOLDS now has four sons who are all attending Indiana University. As for me, I guess I'd better get back to work dusting the furniture before my employer, Mrs. Gotrocks, comes home.

Respectfully submitted,

Jeannine Vallieu

After marching season ended, the enrollment increased to fifty-eight members, and our first concert with the new members was given for the P. T. A. at Christmas.

Our big project for the year was a minstrel show, given in February. We hope to make this an annual affair.

Chorus

Our thirty-six voice chorus, included girls in the upper six grades of school.

At Christmas, the chorus presented a program of choral music for the December meeting of P. T. A.

In the Spring, we gave a choral concert. It was the first time that the chorus attempted to present a program consisting entirely of choral music. We hope to be able to continue to give these concerts every Spring.

We have had a year of fun in F.H.A. We were honored in the fall by having the regional F.H.A. conference held here. The next big event was the initiation of new members and on a "night party" that a night! At Christmas time we made dolls for the children's hospital. A terrible snow storm prevented us from going to the state convention held in Grand Rapids. We closed the year with our formal degree service and the installation of new members. Next year should be even more interesting.

F.F.A.

The Future Farmers of America is an organization of boys whose interests are mainly in agriculture. It is made up of several degrees with the "Greenhand" as the lowest degree followed by "Chapter Farmers," "State Farmers" and the highest degree "American Farmer."

A definite program of work is outlined each year and a committee set up to take charge of each area of the program. Contest, conventions, local chapter meetings, and parties are an integral part of the organization. There is also a definite ritual for use at the regular meetings that causes the groups to be a little closer knit.

Hall Receptionists

From left to right - Jane Cope and, Betty Robinson, Jacquelyn Traxler, Shirley Masters, (sitting) - Patsy Hayes, Marilyn Walker, Connie Moore, Carol Clark, Loree Fowler, Rosemarie Rawlins

Hall receptionists are expected to greet visitors and take them to the people they want to see, check and see if all people in the hall have passes, run errands for the principal and superintendent, and record the daily attendance records.

Also hall receptionists have at their disposal a list of all the students in high school so they can be located for emergencies or for office purposes.

Librarians

The librarians were chosen at the beginning of the year by Mrs. Godfrey, who is in charge of the library, to lighten the load of the teacher in charge of the studyhall. They sign books in and out, help students find assigned books and reading and research material, and keep the books and shelves in order.

At times this is a very tedious task for the student librarians, but thus far there has been whole hearted co-operation from the whole group.

Seated - Rosemarie Rawlins, Jane Cope and, Patricia Robertson, Mary Margaret Reed, Shirley Makemson.
Standing - Darlene Rigelman, Jerry Michael, Connie Moore, Rosemary Haskins, Karen Edinger, Barbara Schadt, Marlene Peter, Patricia Boyt, Rosalie Pichea.

The Speech Class has given three Assembly programs-- a broadcast, T. V. program, and three minute orations of Communism and Democracy.

We have joined the Michigan High School Forensic Association. Each member of the class has also memorized a ten minute speech.

The Redskins eleven opened at Reading losing in the last half, after having a couple of punts blocked.

The next contest, the Redskins traveled to White Pidgeon where they played their best game of the season. Paul Blount played an outstanding game at the end. He was injured after catching one of the passes and was out for the remainder of the season. Constantine also beat the Redskins after playing a hard fought battle.

The Redskins traveled to Onstead for their Homecoming game. All of their games were played away due to the lack of a home field.

At Colon, the boys played an inspired game, but were out-classed and finally beaten during the last half.

The last two games of the season against North Adams and Morenci, the Redskins fought valiantly but were no match against superior lines. The reserves were used much of the time and showed signs of improvement.

The Redskins ended the season with 21 boys which should add greater experience to the team next year. This year the reserves well trained in the intricacies of the Split T should help to obliterate last season's weakness.

WHEN THINGS GO WRONG, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out;
So don't give up, though the pace seems slow—
For you may succeed with another blow.

Often the goal is nearer than
It seems to a faint and faltering man,
Often the struggler has given up,
When he might have captured the victor's cup.
And he learned too late, when the night slipped down
How close he was to the golden crown.

Success is failure, turned inside out—
The silver tint of the clouds of doubt—
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit—
It's when things seem worst that you mustn't quit!
